## Afternoon Delights

70s is back, ladies! Tak hanya pada panggung fashion, tren makeup era *Charlie's Angels* ini kembali banyak dibicarakan. Berikut beberapa dandanan ala 70an versi Cosmo untuk menginspirasi Anda!

### Let's Get It On

Tonjolkan aura sultry dengan smoky eyes. Garisi tepi mata dengan eye kohl lalu tumpuk dengan eyeshadow hitam dan baurkan. Maksimalkan look dengan minimalist graphic nail art mudah ini: Gunting selotip berbentuk segitiga, tempel di pangkal kuku sebelum mengaplikasikan kuteks putih di seluruh permukaan.

## RED HOT

Warna merah bisa menjadi 'holy step' Anda ketika belum begitu yakin untuk mewarnai rambut dengan warna terang. Jika kembali merasa tertantang, kolaborasi warna merah yang hangat dengan ton yang lebih terang, seperti kuning atau biru cerah.
