FEDERLEICHT

Das belgische Trendlabel Ann Demeulemeester präsentiert den Feder-Look in XL-Variante. Sie dürfen dagegen auch klein anfangen: Locken-Mousse ins Haar kneten (z. B. „Flexible Curls“ von Nivea Hair Care, ca. 3 €) und die Längen für weiche Wellen über große Wickler drehen. Anschließend Haare ausbürsten und zum Mittelscheitel stylen. Deckhaar locker hochklemmen und einzelne Federn in den unteren Längen festclippen (z. B. „Feather-Extensions“ von Ninichic, zwei Federn ca. 22 €). Deckhaar wieder lösen und die Frisur mit den Fingern locker in Form schütteln.
